Essential and non-essential cookies

Cookies can be classified as either 'essential' or 'non-essential'.
Essential cookies: these are cookies that are either:

- used solely to carry out or facilitate the transmission of communications over a network; or

- strictly necessary to provide an online service (e.g. our website or a service on our website) which you have requested.

Non-essential cookies: these are any cookies that do not fall within the definition of essential cookies, such as cookies used to analyze your behavior on a website ('analytical' cookies) or cookies used to display advertisements to you ('advertising' cookies).

Session and persistent cookies

Cookies can be classified as either 'session' or 'persistent', depending on how long they last after they are placed on your browser.
Session cookies: session cookies last for as long as you keep your browser open. They expire when you close your browser.
Persistent cookies: persistent cookies expire at a fixed point in time or if you manually delete them from your browser, whichever occurs first.

First and Third-party cookies

Cookies can be classified as 'first party' or 'third party'.
First-party cookies: these are cookies placed on your device by our website domain.
Third-party cookies: these are cookies placed on your device by third-party website domains.

We have categorized the cookies we use into four categories:

Consent

When you arrive to our website, we will request your consent for cookies as follows.

1. When the website is accessed first, the website visitor is provided with a choice to accept ("OK, I agree") or refuse ("Decline cookies") the placement of cookies.

Accept cookies: By clicking this option, the visitor gives consent to the placement of all the cookies for the:

- Optimal functioning of the website
- Social media sharing function
- Collection of statistics

Decline cookies: By clicking this option, the visitor does not give consent to the placement of any of the abovementioned cookies. In this case, only a session cookie is placed; this is a technical cookie, the main purpose of which is to remember the visitors' selection choice. This cookie is placed for the duration of a user session (time spent browsing the website) and will automatically be deleted when said session expires. Choosing not to accept cookies does not hinder your navigation experience on the website.

No selection made: If a visitor neither accepts nor refuses cookies, the website treats this as a refusal to the placement of cookies and all related functions are on hold until a selection is made. No cookies shall be placed on visitors' devices unless consent has been given by clicking on the "OK, I agree" option.

Managing Cookies

How to opt out of essential cookies
Most browsers allow you to block all cookies, including essential cookies. Please note, however, that if you block all cookies, parts of our website and its functionality may not work or display properly.

You can delete existing cookies from your browser by clearing your browsing data and ensuring that the option to delete cookies is selected.

For Cookies or e-mail marketing, we provide the following easily usable options:
• **Cookies Settings and Preferences.** You may disable cookies and similar technologies through the settings in your browser.
• **E-Mail Settings and Preferences**. If you no longer want to receive marketing e-mails from us, you may choose to unsubscribe at any time [unsubscribe from this list].

OPTING-OUT

In case a visitor has opted-in to the placement of cookies, it is always possible to change this decision and opt out. In order to opt out, visitors need to delete all the cookies from their browsers. If you do this, however, you may have to manually adjust some preferences every time you visit a site and some services and functionalities may not work.

To learn about how to clear cookies in different browsers, visit: https://www.aboutcookies.org/

DO NOT TRACK OPTION

Do Not Track is a technology that enables visitors to opt out from being tracked by websites for whatever purpose, including the use of analytics services, advertising networks and social platforms. You can enable the 'Do not track' option directly in your web browser. Google Analytics will not track users who have enabled this option in their web browsers. (Details are mentioned below)

GOOGLE ANALYTICS

The website uses Google Analytics in order to track the information of visitors described above. For this purpose, the abovementioned collected data are transmitted to Google Inc. The IP addresses of visitors are anonymized by the website prior to their transmission to Google Inc; this protects the anonymity of the visitors that have opted for the full website functionalities.

Google complies with the EU-US Privacy Shield Framework and more information on its certification can be found here.

Furthermore, Google, including Google Inc. and its wholly-owned US subsidiaries, has certified that it adheres to the relevant Privacy Shield Principles, including for Google Analytics.

More information on Google's privacy policy can be found here.
